LOB – Term

Premiums over last 3 FYs:

Below are the products that account for the top 90%, wherever a premium change is applicable.

Premiums under each of the product for representative model points have been provided under the respective UINs that were live as at the end of each of the preceding 3 FYs and for YTD Oct 2026.

Note:

- All the below sample premiums are for a Male Life and Non-Smoker
- For products that were not available in earlier periods, data has been provided only for the years in which they were available.
