Case Study

Vijay, 30 years old, works in leading Bank. He is looking for a Life Insurance plan that would ensure he is covered against any unforeseen events and in case of any eventualities, his wife and daughter are well protected against any financial uncertainty.

How does the plan work?

Vijay decides to purchase Bharti AXA Life POS Saral Jeevan Bima Yojana for a policy term of 10 years for which he has to pay premium for 10 years.

He chooses a sum assured of ₹10,00,000, he has to pay an annual premium of ₹2,860 (exclusive of applicable taxes).

In case of Vijay's death during the policy term, his nominee would receive benefits as given below:

You may choose monthly*, quarterly*, semi-annual or annual premium payment mode. The factors applicable for each mode are as given below:

Mode	Modal Factor
Monthly*	0.0867 of Annualized Premium
Quarterly*	0.26 of Annualized Premium
Semi-Annual	0.51 of Annualized Premium

*Payable through ECS only

(i) Collection of advance premium shall be allowed within the same financial year for the premium due in that financial year. However, where the premium due in one financial year is being collected in advance in earlier financial year, the same may be collected for a maximum period of three months in advance of the due date of the premium.

(ii) The premium so collected in advance shall only be adjusted on the due date of the premium.

In case of the death of the Life Insured while the Policy is in lapse status, no benefit shall be payable and the Policy will terminate.

What happens if I am unable to pay premiums?

While we recommend that all your premiums be paid on the respective due dates, we also understand that sudden changes in lifestyle like an increase in responsibility or an unexpected increase in household expenses may affect your ability to pay future premiums. You have an option to revive the policy with full benefits as defined below:

Revival:

You have the flexibility to revive your lapsed policy within the revival period of five years after the due date of the first unpaid premium, subject to the terms and conditions the company may specify from time to time.

For revival, you will need to pay all the outstanding premiums and interest on the outstanding premiums and applicable taxes. The revival interest rate may be changed by the Company from time to time, subject to prior approval from IRDAI. The revival interest rate will be calculated on the 1st of April every year and will be derived as average of last six months 10 year G.Sec* yield of the immediate last financial year plus 0.5%.

The revival rate of interest for FY 19-20 is 8.04% p.a.

Once the policy is revived, you are entitled to receive all benefits under your policy.

Can I surrender my policy?

We would want you to pay premiums regularly till the end of the policy term. However in case you are not able to pay all premiums and want to surrender the policy, the policy will be terminated, however no surrender value is payable to you under this product.

whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

03. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance Policy:

- a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b. The active concealment of a fact by the insured having knowledge or belief of the fact;
- c. Any other act fitted to deceive; and
- d. Any such act or omission as the law specifically declares to be fraudulent.

08. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance Policy would have been issued to the insured.

09. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
