How does this product work?

Bharti AXA Life Samridhi is a traditional participating plan. You pay premium for the chosen Policy Term and receive the Maturity benefit on completion of the policy term.

How is my Premium calculated?

Premium amount applicable to you will be dependent on your age, Policy Term, Premium Payment Mode and Sum Assured on Maturity chosen by you.

Premium Payment Mode

You can choose among Monthly, Quarterly, Semi-annual or Annual payment modes. Monthly Premium* = 0.0867 of Annualised Premium, Quarterly Premium* = 0.26 of Annualised Premium, Semi-annual Premium = 0.51 of Annualised Premium.

* Through Auto Pay only

Applicable taxes (if any) & Cess will be levied as per prevailing rates

Other Features:

Grace period:

Grace period is the period given to you from your premium due date, to pay the premium without any impact on the benefits in your policy. Grace Period is 15 days for monthly mode and 30 days for annual/ semi-annual/ quarterly premium payment modes.

Lapsation:

The policy acquires a surrender value after the payment of two annualised regular premiums.

If Policy has not acquired a Surrender Value:

In case you do not pay the premiums within your grace period, your policy will lapse and your insurance cover will cease to exist. You can revive the policy within the period allowed for revival of the policy. At the end of the revival period if the policy is not revived then the policy will be terminated and no benefits will be payable.

If Policy has acquired a Surrender Value:

In case you do not pay the premiums within your grace period, your policy will be lapsed and converted into paid up. You have the option to revive the policy within the period given for revival of the policy. At the end of the revival period if the policy is not revived then the policy will continue in paid up status and the paid up value will be payable either on death or on maturity or on surrender of the policy.

Revival:

You have the flexibility to revive all the benefits under your policy within five years, after the due date of the premium in default. However, the Company would require:

- a) A written application from you for revival;

- b) Satisfactory evidence of insurability;
- c) Payment of an amount equal to all unpaid premiums together with interest at such rate as the Company may charge for such revival, as decided by the Company from time to time, subject to prior approval from IRDAI.
- d) Terms and conditions as may be specified by the Company from time to time.
The revival rate of interest for FY 19-20 is 8.04% p.a.

Reduced Paid up Value:

If you have paid at least two annualised premiums and your policy has lapsed due to any reason, then your policy will be converted into 'paid up'. In this case, the benefits stand reduced to a paid up value which will be paid out either on death of the life insured or on maturity or on surrender of the policy, whichever is earlier.

Loan

Financial burdens cannot be predicted and may arise any time. Thus this Policy gives flexibility to take loan from the Company. This is only possible if your Policy is in force and has acquired surrender value and shall be subject to the following terms and conditions:

- a) The minimum amount of loan for a Policy is Rs.15, 000.
- b) The maximum amount of loan will not exceed 70% of the acquired Surrender Value.
- c) The Policyholder shall assign the Policy absolutely to and be held by the Company as security for repayment of the loan and interest/allied charges thereon;
- d) The loan shall carry interest at the rate specified by the Company at the time of advancing the loan. The interest rate in a policy loan is not fixed and could be reviewed by the Company on 1st of July every year. This interest rate shall not exceed the sum of (5% and the Base lending rate of State Bank of India at the time of declaration.) The rate of interest on policy loan as on 1st July 2018 is 10.40% pa.
- e) In case the policy is in paid up status, then the outstanding loan amount together with the interest shall not be equal to or exceed the Surrender Value of the Policy at any point of time. In case the outstanding loan amount with interest is greater than or equal to the surrender value, the policy shall stand terminated and all future benefits will cease to exist.
- f) Other terms and conditions as prescribed by the Insurer from time to time.

Can I surrender my policy?

We would want you to pay premiums regularly and stay invested till maturity to get maximum benefits under the policy. However in case you are not able to pay all premiums and want to exit the policy earlier, then only surrender value (if acquired) will be payable to you.

Surrender Value

The Policy acquires a Surrender Value provided if at least two annualised Premiums have been paid. The guaranteed Surrender Value Factors as a percentage of cumulative premiums paid are as mentioned in the table below:

Appendix I: Section 45 – Policy shall not be called in question on the ground of mis-statement after three years

Provisions regarding Policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended from time to time are as follows:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 years from:
 - a. the date of issuance of Policy or
 - b. the date of commencement of risk or
 - c. the date of reinstatement of Policy or
 - d. the date of rider to the Policy whichever is later.
2. On the ground of fraud, a Policy of Life Insurance may be called in question within 3 years from:
 - a. the date of issuance of Policy or
 - b. the date of commencement of risk or
 - c. the date of reinstatement of Policy or
 - d. the date of rider to the Policy whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance Policy:
 - a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
 - b. The active concealment of a fact by the insured having knowledge or belief of the fact;
 - c. Any other act fitted to deceive; and
 - d. Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.
5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured/beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.
6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which Policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on Policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance Policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.
