01-04-2026	Hyundai Motor India Ltd	POSTAL BALLOT	MANAGEMENT	Appoint Dong Park (DIN: 09389394) as Whole-time Director for three years from 2 February 2026, liable to retire by rotation, and fix his remuneration	FOR	FOR	Dong Park, 56, is the Whole-time Director and Chief Operating Officer of Hyundai Motor India Limited. He has over thirty years of experience in the sales, service, and network domain. Before joining Hyundai Motor India Limited, he served as CEO for Hyundai Motor Middle East & Africa. He has completed BBA (Management) from Pusan National University. We estimate his annual remuneration at Rs. 50.0 mn, which is capped. We expect the company to bifurcate between the quantum of fixed and of variable pay which he is eligible to receive and disclose the performance metrics which determine his variable pay. His proposed remuneration is reasonable for the size of business and in line with peers. We support the resolution.
01-04-2026	Hyundai Motor India Ltd	POSTAL BALLOT	MANAGEMENT	Approve related party transactions with Mobis India Limited (MIL) upto Rs. 88.4 bn during FY27	FOR	FOR	MIL is a subsidiary of an entity which exercises significant influence over the promoter of HMIL. HMIL sources modular components from MIL, including chassis, powertrains, batteries, and infotainment systems. MIL is also the exclusive supplier for after-sales parts and undertakes battery pack assembly for HMIL's EVs. We generally do not support sourcing from promoter group entities. However, Hyundai Mobis Co. Limited, South Korea is a separately listed entity, with ~83% of its 2024 revenue from group affiliates, indicating this is a global practice. MIL paid HMIL a license fee of 8.5% of domestic sales until 2017; shareholders should seek clarity on its discontinuation. The nature of transactions includes availing/rendering of services, purchase/sale of goods, purchase of fixed assets and other operating revenue/other income/recovery of expenses. In FY25, the transactions between HMIL and MIL aggregated Rs. 96.0 bn. While the proposed transactions with MIL are being undertaken at arm's length pricing and in the ordinary course of business, the pricing for customized products purchased from MIL is based on the volume of transactions and cost of inputs used. The company must clarify how MIL' margins on sales to HMIL compared to its margins on third-party sales. The proposed transactions with MIL are being undertaken at arm's length pricing and in the ordinary course of business. The company seeks approval for an amount upto Rs. 88.4 bn, for FY27. We support the resolution.

01-04-2026	Hyundai Motor India Ltd	POSTAL BALLOT	MANAGEMENT	Approve related party transactions with Kia India Private Limited (KIPL) upto Rs. 44.5 bn during FY27	FOR	FOR	KIPL is a 99.99% subsidiary of Kia Corporation; which is a 34.2% associate company of HMC. Therefore, KIPL is a subsidiary of an associate of the holding company of HMIL. HMIL and KIPL enter into RPTs, primarily for sale and purchase of engines. We note that KIPL is a competitor of HMIL in India. However, we recognize that there are collaborations in the automotive industry for companies to jointly develop vehicles, share platforms and engines among other parts, which helps keep costs low. Further, we note that KIPL (FY25 YTD UV market share of 8.76%) is smaller than HMIL (FY25 YTD PV market share of 15.0%). The nature of transactions include availing/rendering of services, purchase/sale of goods, and other operating revenue/other income/recovery of expenses. While the proposed transactions with KIPL are being undertaken at arm’s length pricing and in the ordinary course of business, the pricing for customized products purchased from KIPL is based on the volume of transactions and cost of inputs used. The company must clarify how KIPL's margins on sales to HMIL compare to its margins on third-party sales. In FY25, the transactions between HMIL and KIPL aggregated Rs. 45.8 bn. The proposed transactions with KIPL are being undertaken at arm’s length pricing and in the ordinary course of business. The company seeks approval for an amount upto Rs. 44.5 bn, for FY27. We support the resolution.
01-04-2026	Hyundai Motor India Ltd	POSTAL BALLOT	MANAGEMENT	Approve related party transactions with Hyundai Motor Company (HMC), promoter and holding company upto Rs. 44.3 bn during FY27	FOR	FOR	HMC is the promoter and holding company of HMIL. The nature of transactions includes availing/rendering of services, purchase/sale of goods, purchase of fixed assets and other operating revenue/other income/recovery of expenses. HMIL also pays royalty to HMC, however the company has not sought approval for the same since it is lower than the 5% threshold. In the FY25 annual report, the company has stated that there is an increase in royalty paid due to a revision in the royalty agreement. The company must disclose the revised royalty agreement as well as the reason for the increase in royalty. In FY25, the transactions between HMIL and HMC aggregated Rs. 28.5 bn (excluding royalty and dividend) and Rs. 29.0 bn in 9MFY26. The company seeks approval for an amount upto Rs. 44.3 bn, for FY27. The proposed transactions with HMC are being undertaken at arm’s length pricing and in the ordinary course of business. We support the resolution.

17-04-2026	IDFC First Bank Ltd.	POSTAL BALLOT	MANAGEMENT	Reappoint S. Ganesh Kumar (DIN: 07635860) as Independent Director for three years from 30 April 2026	FOR	FOR	S. Ganesh Kumar, 66, was the Executive Director of the Reserve Bank of India and has worked with the RBI for more than three decades. He was also associated with the National Cyber Security Council of the Government of India, and in the framing of the Payment and Settlement Systems Act. He has served on the board since April 2021. He attended all eight (100%) board meetings held in FY25 and eleven out of twelve (92%) board meetings in FY26, till the date of the notice. S. Ganesh Kumar shall be entitled to sitting fees and reimbursement of expenses for attending meetings of the board and its committees, as applicable, together with such fixed remuneration as may be approved from 30 April 2026, payable on a proportionate basis, in accordance with Reserve Bank of India guidelines and as approved by the board and shareholders. He was paid Rs. 2.69 mn as fixed remuneration and Rs. 3.17 mn as sitting fees in FY26, till the date of the meeting notice. His reappointment is in line with statutory requirements.
17-04-2026	Karur Vysya Bank Ltd.	POSTAL BALLOT	MANAGEMENT	Reappoint B Ramesh Babu (DIN: 06900325) as Managing Director and CEO for two years from 29 July 2026 and fix his remuneration	FOR	FOR	B Ramesh Babu, 65, is the Managing Director and CEO. He was appointed to the board on 29 July 2020. He has attended all twelve board meetings held in FY26 till the date of notice (100%). He is not liable to retire by rotation. Nevertheless, we draw comfort given the recent SEBI LODR amendments which have built in sufficient guardrails and will need the bank to seek periodic shareholder approval for his reappointment. He received a remuneration of Rs. 41.9 mn in FY25, however it includes upfront and deferred payment of cash component of variable pay for previous years. Based on the proposed terms, we estimate his maximum annual remuneration at Rs. 97.1 mn. We believe the remuneration is in line with peers and commensurate with the size and complexity of the bank’s operation. The bank must disclose the performance metrics that determine his variable pay. Notwithstanding, we recognize that he is a professional and his skills carry a market value. We support this resolution.

17-04-2026	Karur Vysya Bank Ltd.	POSTAL BALLOT	MANAGEMENT	Reappoint Dr. Chinnasamy Ganesan (DIN: 07615862) as Independent Director for five years from 25 April 2026	FOR	FOR	Dr. Chinnasamy Ganesan, 62, is a Chartered Accountant having over thirty years of experience in audit across automotive, auto ancillary, IT/ ITES, BPOs, KPOs, telecom, industrial markets, consumer markets, pharma, healthcare, transport, logistics, shipping management, BSRE, oil and gas, plantation, banking, financial services and insurance sectors. He also has experience in carrying out bank/NBFC audits and training bank officials in financial reporting. As per public sources, he is Managing Partner and CEO at RKCG and Associates LLP – a Chartered Accountancy firm based out of Chennai. He has served on the board as an Independent Director since 25 April 2023. He has attended all twelve board meetings held in FY26 till the date of notice. His reappointment is in line with statutory requirements. We support this resolution.

A portion of the options will be subject to time-based vesting, while the remaining options will be performance-linked; however, the company has not provided a bifurcation between the two categories.For performance-based options, the Nomination and Remuneration Committee (NRC) may determine the performance criteria for vesting. We expect companies to disclose clearly defined performance metrics, along with their respective weights and targets, for schemes that include performance-based vesting.For time-based options, the exercise price will be determined by the NRC and specified in the grant letter or relevant ESOP documentation. We do not favour schemes where there is no clarity on the exercise price, or where the exercise price is set at a significant discount (>20%) to the market price. ESOPs are “pay-at-risk” instruments that employees accept at the time of grant; this risk is undermined if options are issued at a significant discount to market price. If stock options are granted at such a discount, there is misalignment between the interests of investors and employees.In the absence of clarity on the exercise price, as well as the performance metrics, weights, and targets governing vesting, we do not support the resolution.

20-05-2026	HDFC Bank Ltd.	POSTAL BALLOT	MANAGEMENT	Approve amendment to Employee Stock Incentive Plan 2022	FOR	FOR	Employee Stock Incentive Plan 2022 (RSU Plan 2022) was approved by way of Postal Ballot on 14 May 2022. Now the bank proposes to amend RSU Plan 2022 by extending its validity by five years till 13 May 2031, increasing the maximum number of RSUs to be granted to an individual employee per annum to 50,000 and modifying the criteria for grant of RSUs. Out of the pool size of 200.0 mn options (adjusted for bonus issue on 27 August 2025), ~150.9 mn options remain available for future grant as on the date of notice.The bank has stated that the maximum limit of RSUs per employee will only be granted to a few newly inducted senior level employees. We support the scheme because the senior leadership team and middle management will be granted a smaller pool of RSUs that will carry performance-based targets for vesting – thus aligning with the interest of investors. Although we do not generally support the grant of stock options at deep discount with time-based vesting, we recognize that for junior-level employees, the RSUs will act as more of a retention tool. Further, the bank has confirmed that ~98% of the past grants from this scheme have been to employees which are 6 to 10 levels below the Managing Director. We note that the Managing Director will not be eligible for RSU grants. We support the resolution.

Phani Kishan Addepalli will have the right to nominate himself to the board, subject to him being a shareholder, continuing as a permanent full-time employee, and holding vested ESOPs / equity shares / a combination thereof equivalent to 2,934,194 equity shares representing 0.11% of equity share capital as on 31 March 2026. As of 1 April 2026, Phani Kishan Addepalli holds 275,983 equity shares and 7,335,484 vested employee stock options.We believe board nomination rights must be linked to a shareholding threshold: we support board nomination rights in the ratio of shareholding, with a baseline shareholding of at least 10%. Further, nomination rights must be linked to equity share capital, and not to vested stock options that are yet to be exercised. Therefore, we do not support the

POSTAL BALLOT	MANAGEMENT	Approve Ion Exchange (India) Limited – Employee Stock Option Scheme 2026 (Ion ESOP 2026) under which upto 1.7 mn stock options can be granted	FOR	FOR	The company seeks approval for Ion Exchange (India) Limited – Employee Stock Option Scheme 2026 (Ion ESOP 2026), under which up to 1.7 mn options will be granted. The scheme will be implemented through a trust by secondary acquisition of shares. The overall dilution of the scheme is ~1.1% on the expanded capital base as on 31 March 2026. The vesting of options is time-based, with pricing at the discretion of the NRC — at a maximum discount of 15% to market price. The NRC may also determine performance parameters applicable to an employee or a class of employees, based on their respective roles, and assign relative weightages to each parameter as it deems appropriate. The company must provide clarity regarding the disclosure of relevant targets and their achievement in the annual report. That said, given that the stock options will be granted at a discount of up to 15% to the market price, the scheme ensures alignment between employee and shareholder interests. 27-05-2026	Trent Ltd.	POSTAL BALLOT	MANAGEMENT	Approve reclassification of authorized share capital and consequent alteration to Clause V (Capital Clause) of Memorandum of Association (MoA)	FOR	FOR	The present authorized share capital of the company is Rs. 855.5 mn comprising 472.5 mn equity shares of Rs. 1.0 each, 3.0 mn unclassified shares of Rs. 10.0 each, 1.63 mn preference shares of Rs. 100.0 each, 0.07 mn redeemable preference shares of Rs. 1000.0 each and 12.0 mn cumulative convertible preference shares of Rs. 10.0 each. 27-05-2026	Trent Ltd.	POSTAL BALLOT	MANAGEMENT	Approve Trent Limited - Employee Stock Option Plan 2026 (ESOP 2026) under which upto ~0.9 mn stock options can be granted	FOR	AGAINST	The company seeks approval for the Trent Limited Employee Stock Option Plan 2026 (ESOP 2026), under which up to 8,88,700 options will be granted, representing ~0.25% dilution on the expanded capital base as of 31 March 2026. The exercise price is fixed at Rs. 3,978.0, based on the closing market price on 15 April 2026. Since this price is set at the time of NRC approval rather than at the time of grant, options issued over an extended period may be granted at a significant discount to the then-prevailing market price. We do not favor schemes where the exercise price exceeds a 20% discount to market price at the time of grant – such structures dilute the 'pay at risk' nature of ESOPs and misalign employee and investor interests. On vesting, the notice states that options vest subject to both continuous employment and achievement of performance parameters, with the NRC empowered to define criteria including revenues, profitability, and other strategic metrics. However specific targets, weightages, or thresholds are not disclosed. We expect the company to provide more clarity on the performance-linked vesting framework. The company must cap the discount at 20% to the market price prevailing at the time of grant. In the absence of such safeguards, the scheme risks resulting in materially discounted grants that undermine alignment between employees and shareholders' interests. We do not support the resolution.
27-05-2026	Trent Ltd.	POSTAL BALLOT	MANAGEMENT	Approve extension of Trent Limited - Employee Stock Option Plan 2026 (ESOP 2026) to employees of subsidiary and associate companies	FOR	AGAINST	Through resolution #4, the company seeks shareholder approval for extending the benefits of ESOP 2026 to eligible employees of subsidiary and associate companies. While we understand from the company that the ESOP 2026 framework aims to include employees deputed across the company and its group entities for specific assignments or projects, our view is linked to resolution #3. We do not support the resolution.

28-05-2026	Fractal Analytics Ltd.	POSTAL BALLOT	MANAGEMENT	Approve ratification of pre-IPO 2019 Fractal Employees Stock Option Plan (Fractal ESOP 2019 Plan)	FOR	AGAINST	The company seeks shareholder approval to ratify the pre-IPO Fractal Analytics Limited Employees Stock Option Plan, 2019 (Fractal ESOP 2019 Plan). According to the notice, up to 1,280,507 options are proposed to be offered and granted (Total size of the scheme as per RHP - 14,194,955 options). This pool includes options that may become available upon the expiry, lapse, forfeiture, or cancellation of options previously granted under the 2007 Fractal Employees Stock Option Plan, the Time-Based Key Employee Stock Incentive Plan, 2019, and the Performance-Based Key Employee Stock Incentive Plan, 2019, all of which have been discontinued for new grants. Based on the currently proposed grant of 1,280,507 options, the potential dilution is approximately 0.7% of the expanded share capital. The exercise price under the scheme will be determined by the Board or the Nomination and Remuneration Committee (NRC) and will not be less than the face value of the equity shares (Re.1.0 each). The Board/NRC will review, evaluate, and determine the exercise price of options granted under the scheme with reference to the company's past practices. The vesting of options is primarily time-based. We do not favour ESOP schemes where options are granted at a significant discount (>20%) to market price as stock options are 'pay at risk' options that employees accept at the time of grant. In the case of deeply discounted options, there is no alignment between the interests of investors and those of employees. We make an exception where the vesting of such options is mandatorily linked to performance parameters and the company has disclosed the pre-defined performance targets for such parameters. We do not support the resolution.

However, options granted prior to the termination of the scheme will continue to vest and remain exercisable in accordance with the terms of the plan. However, options granted prior to the termination of the scheme will continue to vest and remain exercisable in accordance with the terms of the plan. However, options granted prior to the termination of the scheme will continue to vest and remain exercisable in accordance with the terms of the plan. Any options that expire or lapse without being exercised will be transferred to the Fractal ESOP 2019 Plan. The vesting conditions under the scheme are linked to the exit return of Quinag Bidco Ltd. or its Affiliates (Apax) which may promote ‘short termism’, at the cost of the company’s long-term goals. Generally, we do not support schemes based on the exit events. However, since no new options will be granted under this scheme following the listing and the proposed amendment is operational in nature, we support the resolution.

POSTAL BALLOT	MANAGEMENT	Approve amendment of Articles of Association (AoA) for granting board nomination rights/special rights to certain shareholders	FOR	AGAINST	The company proposes to amend its Articles of Association (AoA) by inserting a new Article 135A to grant board nomination rights to certain shareholders following the listing of Fractal Analytics Limited. Under the proposed Article 135A, the founder groups, PA Group (Pranay Agrawal) and SV Group (Srikanth Velamakanni), as well as key investors including OLMO Capital, Apax Partners, and TPG, will each be entitled to nominate one director to the board, provided they individually maintain at least 5% of the company's share capital. In addition, Gavin Patterson will continue as a non-executive director for so long as both Apax and TPG each hold at least 5% of the share capital. However, if he resigns, neither investor will have the right to nominate a replacement under this provision. The company will continue to appoint the number of independent directors required to comply with applicable law. The company states that the uniform 5% shareholding threshold has been adopted to account for potential dilution over time and to ensure continuity of board representation for the founders and strategic investors, particularly as the PA Group and SV Group currently do not individually hold more than 10% of the company's share capital. While we generally support board nomination rights for promoters and strategic investors, we expect such rights to be subject to a minimum shareholding threshold of at least 10%, in line with our voting guidelines. Further, we do not support the practice of naming specific individuals as directors or chairpersons in the AoA. Accordingly, we do not support the resolution.

Shankar Raman (DIN: 00019798) as Whole-time Director designated as President and Whole time Director – Finance from 1 October 2026 till 30 September 2028 and fix his remuneration	FOR	AGAINST	R. Shankar Raman, 67, is the CFO and President of Larsen & Toubro Limited. He joined the L&T Group in 1994. He received a remuneration of Rs. 540.3 mn in FY26 (excluding perquisite value of stock options exercised). we estimate his annual remuneration (including fair value of proposed stock options) at Rs. 726.3 mn. We believe the proposed remuneration of Rs. 726.3 mn is not in line with peers and not commensurate with the roles and responsibilities as CFO/Director-Finance. We expect the company to disclose the benchmarking exercise undertaken by the NRC while determining the quantum of remuneration payable. We raise concern at the lack of clarity and granular disclosures pertaining to the ESOP component and the commission component. We expect the company disclose the quantum of stock options expected to be granted to him during his proposed tenure. The company must also cap the quantum of commission payable in absolute amounts. Currently, these components are open ended and consequently his entire remuneration structure is open ended. The remuneration structure has a 'Retirals' component which has averaged ~300% of overall fixed pay over the last 5 years. This is not general market practice and expect the company to disclose what this component entails. Over the last five years, R. Shankar Raman's remuneration growth has outpaced the growth in standalone revenues and profits. The company must explain the misalignment in pay v/s fundamental performance. The company must disclose the performance metrics that will be used to determine variable pay. We do not support this resolution.

14-06-2026	AU Small Finance Bank Ltd.	POSTAL BALLOT	MANAGEMENT	Appoint Vivek Tripathi (DIN: 11510604) as Whole-time Director designated as Executive Director, liable to retire by rotation for three years from 24 April 2026 and fix his remuneration	FOR	FOR	Vivek Tripathi, 47, is bank's Chief Credit Officer (CCO) and was appointed as Executive Director with effect from 24 April 2026. He joined the bank in 2014, and prior to his role as CCO, he led the bank's Commercial Banking business. Before joining the bank, he held senior roles at ICICI Bank, Reliance Capital, and the Aditya Birla Group. He has over two decades of experience in banking, credit, and risk management. As Executive Director, he will be responsible for key risk and control functions, including credit, policy, collections, and legal recovery, and will also contribute to strengthening the bank's analytical capabilities. The bank proposes a fixed remuneration of Rs. 23.93 mn, which has been approved by the Reserve Bank of India (RBI) through its letter dated 23 April 2026. As per RBI guidelines, variable pay may range from one to three times the fixed pay, implying that Vivek Tripathi's total remuneration may range between Rs. 47.86 mn and Rs. 95.72 mn. While this range is relatively high, we draw comfort from the fact that the remuneration is subject to RBI approval, and the bank will seek shareholder approval for the variable pay component. The proposed remuneration is comparable with industry peers and commensurate with the bank's size, performance, and the complexity of his role. However, while seeking approval for variable pay, the bank should disclose the performance metrics governing variable pay and ESOP grants. We support the resolution.
16-06-2026	Bajaj Auto Ltd.	POSTAL BALLOT	MANAGEMENT	Approve buyback of up to 4,694,000 fully paid-up equity shares at a buyback price of Rs. 12,000 per share, through a tender offer, for an aggregate consideration not exceeding Rs. 56.33 bn	FOR	FOR	The buyback of up to 4,694,000 equity shares will result in a maximum reduction of 1.68% to the paid-up equity share capital. The buyback price of Rs. 12,000.0 is at a 14.72% premium to the current market price of Rs. 10,460 (29 May 2026). This will result in maximum Rs. 56.33 bn of cash being distributed to shareholders, which is within the statutory limit of being less than 25% of the aggregate of the paid-up share capital and free reserves as per FY 2026 financials. The promoters do not intend to participate in the buyback. The buyback will enable the company to distribute surplus cash to its shareholders. We support the resolution.

16-06-2026	Bajaj Auto Ltd.	POSTAL BALLOT	MANAGEMENT	Reappoint Pradeep Shrivastava (DIN: 07464437) as Whole Time Director for five years from 1 April 2026 and fix his remuneration	FOR	AGAINST	Pradeep Shrivastava, 66, has been associated with the company since 1986 and was previously the Chief Operating Officer till 2016, before being appointed to the board with effect from 1 April 2016. He is liable to retire by rotation and was last reappointed at the 2021 AGM. Pradeep Shrivastava’s estimated remuneration (including the value of stock options) is Rs. 249.11 mn for FY26 and Rs. 333.13 mn for FY27. The proposed remuneration terms are open-ended, with no guidance or limits on bonus and performance-linked incentives. The proposed terms give the board and the Nomination and Remuneration Committee (NRC) the discretion to determine variable pay and annual increments. A review of historical payouts does not indicate a consistent or predictable trend in the variable pay component. As the resolution lacks an absolute cap, the regulatory limit of up to 5% of the company’s net profits would apply to his remuneration, resulting in a wide permissible range. We expect the company to specify an absolute cap on remuneration and clearly define the performance metrics governing variable pay. Further, the company must disclose the quantum of stock options that may be granted to him over his tenure. Given these concerns, we do not support the resolution.

18-06-2026	Raymond Ltd.	EGM	MANAGEMENT	Approve preferential issue of 6.7 mn convertible warrants to JK Investors (Bombay) Limited, promoter group entity, at a price of Rs. 497.0 each, aggregating ~Rs. 3.3 bn	FOR	AGAINST	The company proposes to raise ~Rs. 3.3 bn through a warrants issue to the promoter group. Assuming full conversion, the issuance will lead to a dilution of ~9.1% on the expanded capital base. The proceeds from the warrants are proposed to be utilized towards funding acquisitions either directly or through subsidiaries, for organic and inorganic growth, including repayment of acquisition debt and for general corporate purposes. Upon full conversion, the issuance will increase the promoter-group shareholding to 53.52% from the current 48.87%. The company has stated that the warrant structure enables phased capital deployment in line with acquisition timelines, avoids dilution ahead of productive use of funds, provides flexibility in fund deployment, and minimizes immediate EPS dilution. The company has further stated that allotment to promoters ensures speed and certainty of execution, demonstrates promoter commitment to the company's growth strategy, creates governance accountability, and is more cost-effective than public market fund-raising routes. We do not support the issue of warrants to promoters, as it allows them to benefit from stock price movements for 18 months. Further, if the promoters decide not to subscribe to the remaining 75% of the warrant price, it could have material implications for the company's funding plans. We encourage promoters to participate through a preferential issue of equity shares, where funds are brought in upfront, rather than through the warrant route. Hence, we do not support the resolution.

AGM	MANAGEMENT	Adoption of standalone financial statements for the year ended 31 March 2026	FOR	FOR	We have relied upon the auditors' report, which has not raised concerns on the financial statements. Based on the auditors' report, which is unqualified, the financial statements are in accordance with generally accepted accounting policies and Indian Accounting Standards (IND-AS). We support the resolution. The company must disclose why it has trade payables outstanding for more than two years. We raise concern that the statutory auditors: Deloitte Haskins & Sells LLP and Chaturvedi & Shah LLP (and their network firms) were associated as statutory auditors of Reliance Industries Limited for more than ten years till FY17. Thereafter, these firms were statutory auditors of material subsidiaries of RIL between FY18 and FY22. Thus, there was no disassociation (cooling-off) with the RIL group

Chartered Accountants and fix their remuneration	FOR	FOR	The company seeks approval to appoint M S K A & Associates LLP as statutory auditors till the conclusion of the 2026 AGM to fill the casual vacancy caused by the resignation of V J Shah & Co Chartered Accountants. V J Shah & Co was reappointed as statutory auditors for five years from the conclusion of FY25 AGM – their second five-year term was to end at FY30 AGM. The proposed remuneration payable to M S K A & Associates LLP for the audit of the company (consolidated) is Rs. 8.1 mn, plus applicable taxes and reimbursement of out-of-pocket expenses. As per the company, the increase in remuneration is primarily attributable to the enhanced scope and complexity of the audit arising from the growth in the scale of the company's operations, increased regulatory and reporting requirements applicable to listed entities, the expertise and experience of the proposed audit firm, and alignment with prevailing market and industry benchmarks for audit services of similar nature and scale.
