

Return

Returns in case of non-par, par, premiums for protection plans and Annuity rate for Annuity products under each of the product for representative model points have been provided under the respective UINs that were live as at the end of each of the preceding 3 FYs and for YTD June 2026. The returns for participating plans are illustrated at 8% rate of return.

Returns in case of ULIP are directly linked to the chosen fund's performance. However, we have illustrated returns for ULIP plans at 8% rate of return.

LOB: Linked non-participating | Annual Premium: Rs. 1,00,000
